

Tenney Rd. / NE 139th St.

The traffic counts in this document were collected at an intersection that has been reconfigured as part of the Salmon Creek Interchange Project, and effectively no longer exists. We are leaving this document online for historical purposes, but these counts should not be compared to newer counts due to how the reconfiguration has affected traffic flows in this vicinity. For reference, aerial images of the previous and current intersection configurations are shown below.

Intersection Configuration Prior to Salmon Creek Interchange Project

Intersection Configuration Following Salmon Creek Interchange Project

proud past. promising future
